1. In G.O. No. 2984 P.H. dated 3.9.47 the Govt. have issued instructions that the enhanced rates of subsidy to rural medl practitioners sanctioned in G.O. No. 1535 P.H. dated 5.5.47 should be given effect to from 1.1.47 in the case of medical practitioners in all subsidised rural dispensaries and that ~~in~~ in respect of those working in non-subsidised dispensaries, the enhanced rates should be given only from the date on which the revised scales of pay are given in respect of the other staff under the Dt Board concerned.

2. In his letter at pp 1-2 of the SO Dt Bd South Kanara now reports that only the subsidised rural medl practitioners in the Dt. have drawn their enhanced rates with effect from 1.1.47.

As the clerical ^{staff} inferior staff, Medl. Officers, Compounders, midwives etc employed in medl. institutions have not yet been allowed the revised scales of pay, the SO states that the non-subsidised

emps also have not yet drawn the revised rates of subsidy with reference to the orders in G.O. No. 2984 P.H. dated 3.9.47.

As however the revised scales of pay have been given effect to in respect of the elementary and secondary school staff, the SO enquires whether the non-subsidised emps may be allowed the enhanced rates of subsidy or whether they have to wait till the revised scale of pay are drawn by all the remaining staff.

3. Attention is solicited to G.O. No. 3296 P.H. dated 30.9.47 in which the Govt. have permitted this, SO Dt Bd Malabar to give effect to the revised

rates of subsidy in respect of the non-subsidised
 temples in the D. also, notwithstanding the fact
 that the other staff under the D. P. were not
 given the revised scales of pay. - The present
 one is a similar case. There are only 2
 non-subsidised dispensaries in the D. The
 extra cost to the D. P. in giving effect to
 the revised ~~scale~~ rates of subsidy to the 2 temples
 in these non-subsidised dispensaries, may be
 about Rs. 200 to Rs. 240/- per. As the D. P. has already
 given effect to the revised scales of pay in
 respect of Elementary & Secondary School Teachers
 and as the temples in the subsidised dispensaries
 have begun drawing the enhanced rates of subsidy,
 it does not seem reasonable to make the 2
 temples in the non-subsidised dispensaries wait
 till the other staff under the D. P. draw the revised
 scales of pay. Further the D. P. is already experiencing
 considerable difficulty in finding temples to man
 the rural dispensaries under the P. and to find
 temples for the old rates of subsidy will be quite
 difficult. One so may therefore be permitted to
 give effect to the enhanced rates to the 2 temples from
 the date from which the revised scales of pay
 have been given in respect of the Elementary
 & Secondary school teachers. The D. P.
 also may not find it difficult to meet this small
 extra sum.
